Represented SE-NCRC at the Huntsville Cave Rescue Unit's Annual-Basic Cave Rescue Course

Winter, 2006 – Spring, 2007

Due to a number of cave rescues in Alabama in the latter part of 2006, it became necessary to evaluate the Southeast resources and to facilitate communications between response groups.

- Attended meetings of both the Huntsville Cave Rescue Unit (HCRU) and the Chattanooga/Hamilton County Rescue Service- Cave/Cliff Team to facilitate joint training.
- In the process of setting the date for a meeting requested by the Marshall County, Alabama Emergency Management Agency. This meeting will include representatives from the local rescue squads, fire departments and Sheriff's Office. The EMA is seeking direction in establishing a basic response cave rescue team.
