

# 2010 Northeastern Caving Calendar Order Form

Thank you for your order for the 2010 Northeastern Caving Calendar. The sale of these calendars supports the purchase by the Northeastern Cave Conservancy, of Merlin's Cave in NY. Designed by Christopher Beauchamp, the calendar features photos by Christopher, Kevin Downey, John Dunham, Jansen Cardy, Joe Levinson, Mike Chu, Luke Mazza, and more. Included in the calendar are hundreds of interesting Northeastern Caving events, noted on the day it occurred, as researched by Chuck Porter. See a preview of the calendar at <http://cbphoto.biz/calendar/>. Use the arrows below the main photo to move among the images.

Calendars are \$20 each. Money collected, after expenses, will be given to the NCC as a donation by the Central Connecticut Grotto. Expenses are estimated to be \$8.50 per calendar. For those shipped, the cost to package and mail the calendar will be deducted from the portion going to the NCC (consider ordering more than one, as it saves on the per calendar shipping cost).
