

Central Connecticut Grotto Membership Form

Thank you for your interest in the CCG. All Grotto communications, such as meeting, trip notices, and links to publications, are sent by email. Please provide an email address, which will be added to the CCG list service and enables both receiving CCG email and sending to the CCG list. An optional additional email address may also be listed for CCG email. The membership year starts on the first day of the month following dues payment. Should your CCG membership expire, you will continue to receive all member information and emails for at least three months. When you renew, the renewal payment extends your membership from the end of the prior dues period.
