ACT SECTION 76 --- MUSEUM

76-283 NSS Museum of Speleology 3-20-04, 3-16-96, 8-16-74

A permanent committee is established in the Operations Vice President's Department to be known as the NSS Museum of Speleology. It is responsible for collecting, cataloguing, and photo documenting the NSS Museum collection. In addition, the committee will oversee the creation and maintenance of a virtual museum to be maintained on the NSS Web Page as well as pursuing a vision for future housing and permanent display of the collection. The committee will endeavor to establish a secure display of a portion of the museum at each NSS national convention.

76-340 Museum Collections 11-5-77

The NSS Museum of Speleology shall consist of public displays and study collections. Public displays of geological, biological, or archaeological items must be specifically authorized by the Executive Committee.
