

ACT SECTION 78 --- PHOTO ARCHIVES

78-220 Photo Archives Committee

3-16-96, 11-7-70

A permanent committee, to be known as the Photo Archives, is created and placed, for administrative purposes, within the department of the Operations Vice-President. The purpose of the Photo Archives shall be to maintain, protect, and catalogue all photographs (including negatives, prints, slides, films, etc.) owned or copyrighted by the NSS, Inc. toward establishing a permanent historical record of American Caves. The contents of the Photo Archives shall be accessible for exhibition or reproduction to all committees and members of the Society and in response to approved inquiries from others, subject to appropriate copyright, credit, and fee regulations.
