

## NSS Vertical Section

Membership in the Vertical Section is open to all individuals demonstrating an interest in the objectives of the organization and agreeing to abide by its tenets. Membership shall not be denied due to race, sex, religious affiliation, or national origin.

**Full Membership** in the Vertical Section is open to all NSS members in good standing. Full Members can vote, hold office, and participate in all Section activities. They also receive access to the *Nylon Highway* each year, plus any other publications, as authorized by the Executive Board of the Section.

The *Nylon Highway* is now to be distributed by both electronic format (on the Vertical Section's website) and on paper copies. An "Annual Volume" of the *Nylon Highway* will consist of all articles submitted during that calendar year. Each article will be posted on the website at the time it's received, to ensure timeliness of the information. At the close of each year, the "Annual Volume" of articles will be printed and mailed to those members having submitted a separate order for the paper copies. The paper copies will be printed in "newsletter format"; that is, unbound, as screen print pages, stapled together.

The electronic version will remain on the website indefinitely. Access to the electronic version will be by password, supplied upon payment of dues, valid for the term of dues paid.

**Full Membership Annual Dues** as of the 2008 NSS Convention (see revision to by-laws):

- \$0.00 - with electronic access to NH.

**Subscriber Membership** is open to Non-NSS members or groups, who have paid subscriber's dues. Subscribers are entitled only to receive Vertical Section publications. Dues for Subscriber Members are currently \$0.00 per year for "electronic-only" access to NH.

The "Annual Volume" of the *Nylon Highway* can be ordered separately for \$10.00 per copy, at the address given below.

### **Membership Application, Correction and/or Renewal Form (Please Print)**

\* Name: \_\_\_\_\_ Type of Membership:  
Address: \_\_\_\_\_  Subscriber
